Math Summer Assignment – Entering 5th grade

Directions: Over the summer, please complete the assigned IXL Lessons. Record the SmartScore that you earn in the column next to each lesson. The desired SmartScore for each lesson is an 80. If you are challenged by the assigned lesson, you may choose the alternative lessons to complete and record the score for your completed work. Please have a parent or guardian sign off on your completed work after each lesson. This assignment will be due by **Friday, August 18th and will be your 1st grade for the 2017 2018 school year.**
