About Pace Brantley School:

Pace Brantley School restores and rebuilds the struggling student's often fragile self-concept. Students find a "home" at Pace Brantley School. For many, they make their first true friend, their teachers understand them, and they learn to become leaders academically and socially. In the words of PACE students and families:

"My son used to say he wanted to learn more at his previous school, you all have met the challenge."

"My daughter feels challenged."

"My son is no longer frozen in fear, his demeanor is different, he actually knows the work."

"My daughter has grown from a young girl to a young adult in her time here. I am so proud to be a parent of a student here."

To learn more about our school, please visit our website at <http://pacebrantley.org>. We would love to welcome you to schedule a time to visit with us personally to see the outstanding work that is happening each day on our campus as we *celebrate uniqueness* of each child and their learning.
