Math Summer Assignment – Recommended Lessons For Students Entering 8th Grade

Directions: Over the summer, it is recommended that you complete the assigned IXL Lessons to prepare for the upcoming school year. Record the SmartScore that you earn in the column next to each lesson. The desired SmartScore for each lesson is an 80. If you are challenged by the assigned lesson, you may choose one of the alternative lessons in the third column to complete and record the score for your completed work.
